| Washington | Regulatory Action | Employment Security Department Emergency Rule | The Department issued emergency rules to enhance the flexibility of the unemployment insurance program. Workers will be able to receive unemployment benefits and employers will get relief of benefit charges if an employer needs to curtail or shut down operations temporarily because a worker becomes sick and other workers need to be isolated or quarantined as a result of COVID-19. A worker that follows guidance issued by a medical or public health official to isolate or quarantine themselves as a result of exposure to COVID-19 and is not receiving paid sick leave from their employer, may be eligible to receive unemployment benefits. If a worker falls seriously ill and is forced to quit, they may qualify for Paid Family Medical Leave while ill under the existing program. Once recovered and available for work, they may apply for unemployment benefits. It removes the full-time requirement and expands standby ability to part time/less than full-time workers who are isolated. | Effective |
